Some days my nose  
feels bad.

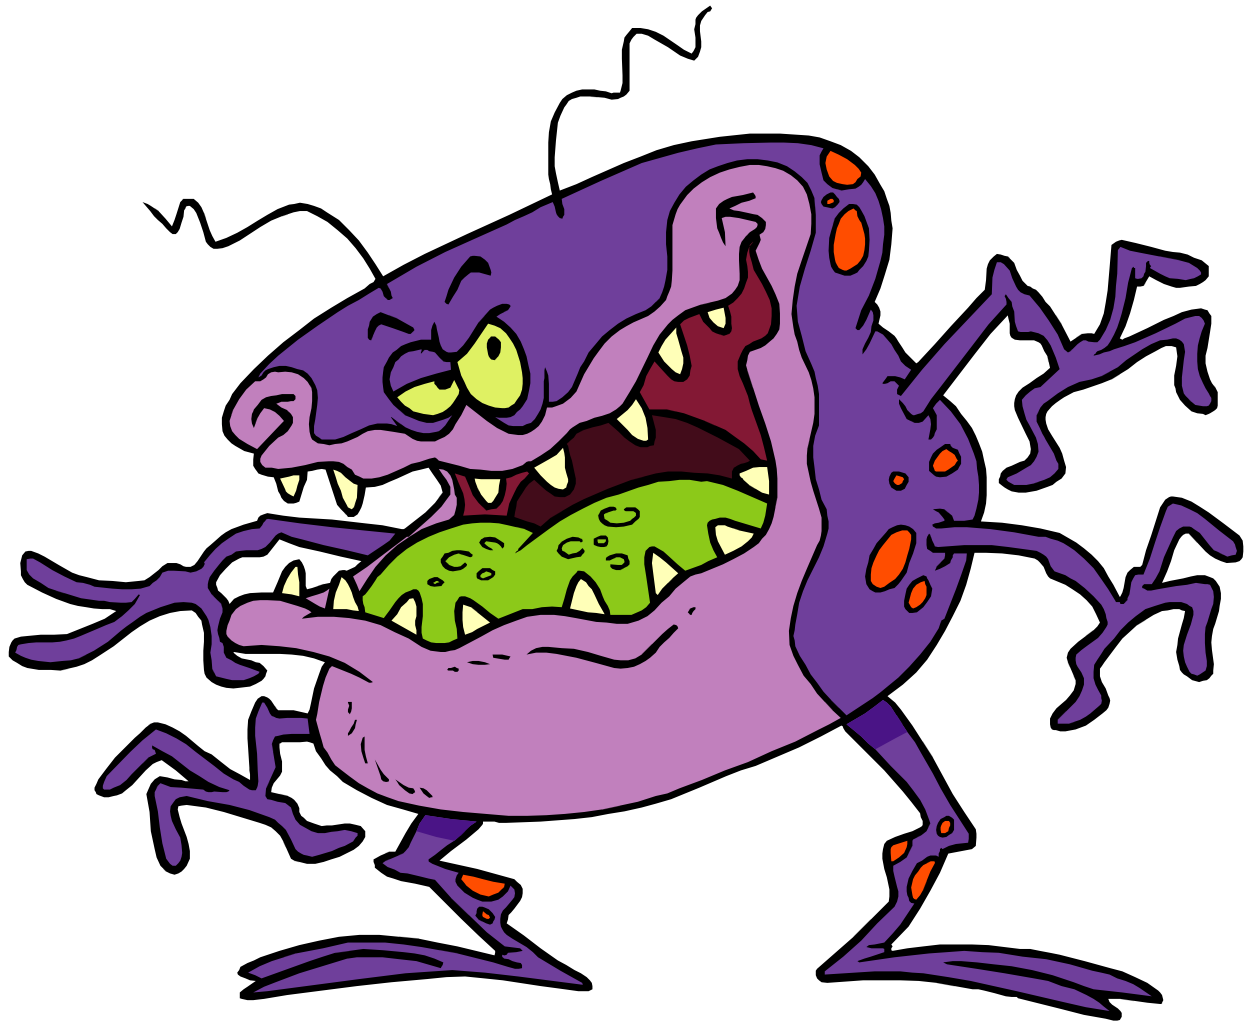

Some days my tummy  
feels bad.

Some days when I feel bad,  
Mommy takes my temperature.

And the doctor  
listens to my heart.

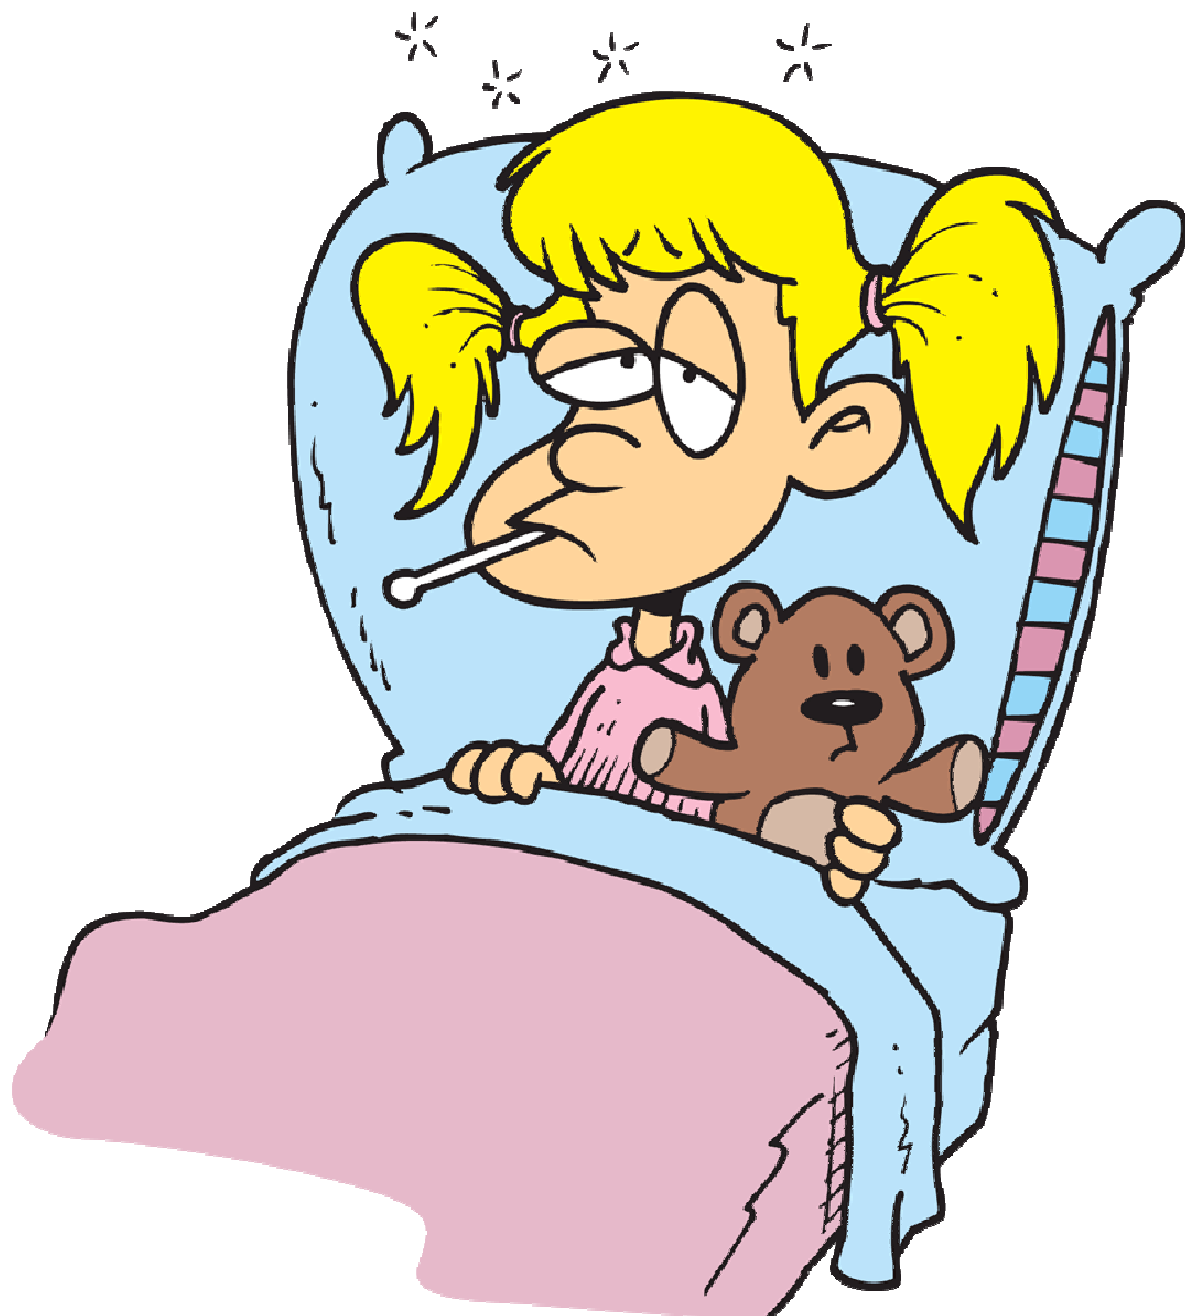

He tries to find the bug that is making me feel bad.

He sends the nurse to give me medicine and make the bug go away.

Some days I don't want to take my medicine.

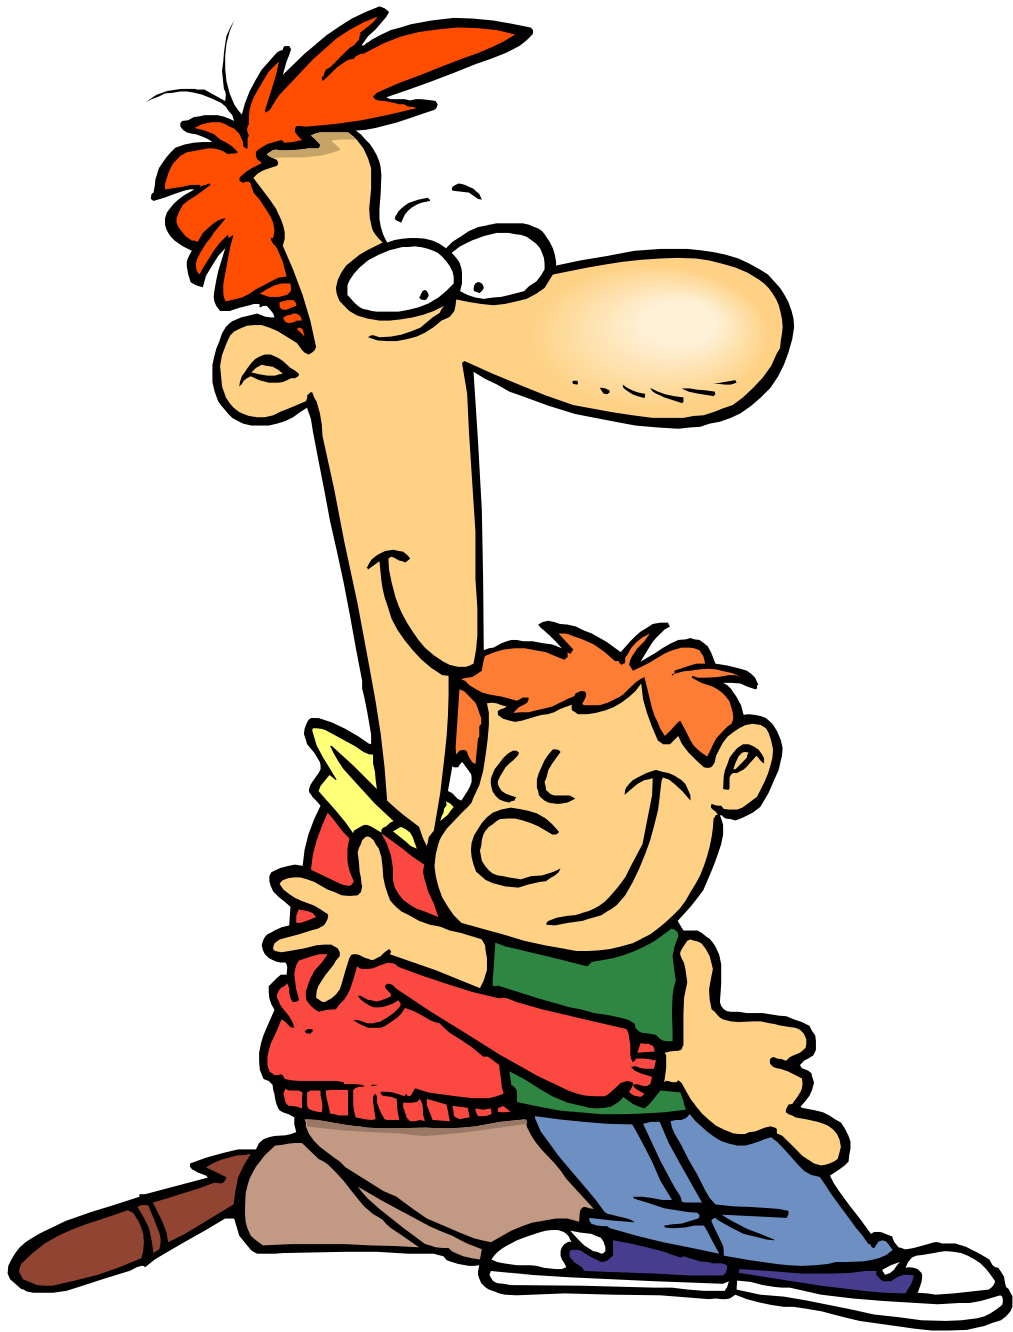

Some days I still feel bad.

I think I'll listen to  
the doctor now and  
do what he says.

Because I want my  
some days to feel  
good!

And I want my some  
days to be happy!
